

# CORNERSTONES FOR LIFE

CORNERSTONES ARE ESSENTIAL RULES THAT WE MUST ALL FOLLOW FOR OUR SAFETY AND THE SAFETY OF OTHERS.

All employees are expected to conduct the required **PRE-START CHECKS** to ensure safe execution and are obligated to **STOP WORK** anytime a violation of the Cornerstones for Life is encountered.

Cornerstones highlight our top risk potentials, underscoring the importance of each individual focus.

## COMMITMENTS BY NEXTIER EMPLOYEES:

Always adhere to our **DRIVING SAFETY** practices; ON & OFF DUTY

Keep myself and others out of the **LINE OF FIRE** and limited access areas

Verify full **ENERGY ISOLATION** and all systems BLED TO ZERO prior to starting work

Verify all **HIGH-PRESSURE** controls, relief systems, certifications & never enter EXCLUSION ZONES

Follow all **ELECTRICAL SAFETY** protocols keeping all clear of high voltage equipment & overhead powerlines

Ensure all mechanical **LIFTING & HOISTING** requirements are met prior to execution; cranes, lifts, & conveyance systems

Follow all **FIRE PREVENTION & EXPLOSIVES** safe work practices at all times

Protect myself against falls when **WORKING AT HEIGHTS** and take the proper steps to avoid dropped objects
